re Netflix Privacy Litigation, No. 5:11-cv-00379-EJD

August 28, 2012

Clerk of the Court
United States District Court for
The Northern District of California (San Jose Division)

Dear Court Clerk,

I, David D'Souza, am a member of the Netflix Case No. 5:11-cv-00379-EJD settlement class with my name, address, and phone number listed above. I have been a Netflix subscriber prior to July 5, 2012 and remain a Netflix subscriber.

I am writing to object to the settlement. I do not believe I was harmed by Netflix's practices. As there are no settlement funds for subscribers, it seems to suggest all parties (Netflix and Settlement Class) concur. Additionally, I believe this lawsuit is frivolous and primarily benefits disinterested third parties without regard to the welfare of the supposedly harmed subscribers hence I also object to the unfair nature of the payments to the 3rd parties. Such payments will likely negatively impact subscribers as it prevents Netflix from delivering a quality service.

I will not be able to attend the fairness hearing but do consider this letter a formal statement of my objection.

Sincerely yours,

David D'Souza
